

HOUSE JOINT RESOLUTION 544
By Bowers

A RESOLUTION designating May 6-12, 2005, as "Nurses Week"
in Tennessee.

WHEREAS, the American Nurses Association, as the voice for the registered nurses of this country, is working to chart a new course for a healthy nation that increasingly relies on primary and preventative health care; and

WHEREAS, the nearly 2.7 million registered nurses in the United States, who comprise the largest segment of our nation's health care profession, meet the different and emerging health care needs of the American population in a wide range of settings; and

WHEREAS, professional nurses, as an indispensable component in the safety and quality of care of hospitalized patients, are needed more than ever due to the aging of the American population, the continual expansion of life-sustaining technology, and the explosive growth of home health care services; and

WHEREAS, more qualified registered nurses will be needed in the future to meet the increasingly complex needs of health care consumers and will continue to be an important component of the U.S. health care delivery system in the future to provide services that are cost-effective and safe without diminishing quality; and

WHEREAS, the American Nurses Association and the Tennessee Nurses Association have declare the week of May 6-12, 2005, as National Nurses Week and have adopted the theme "Many Roles, One Profession" in celebration of the ways in which registered nurses tirelessly strive to provide high quality patient care and devise ways to improve our health care system; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED

CONCURRING, that we designate May 6-12, 2005, as "Nurses Week" in Tennessee and encourage the citizens of this State to celebrate the nursing profession's vital contributions and efforts toward the improvement of our health care system.
